Dear Families,

Thank you everyone for participating in parent teacher conferences this week! This is a great opportunity for teachers to share the amazing things your children are doing every day!! We really appreciate all of the support and involvement of our families.

Kindergarten roundup will be held this month on March 5th. If you will be living in the Mill Creek district for the 2020-2021 school year, you may enroll between 4:30 and 6:30 in the commons area. All forms are available online. If you would like more information, please contact our office at 214-3280.

Summer school will be held June 2nd through June 26th. Summer school enrollment forms are available online and in our office. Summer school is a great way to keep students from regressing over the summer. When children continue to read and write during the summer months, it helps ensure that they will begin the next year close to the academic level at which they ended the previous year. We hope to see your children there.

We wanted to thank our families and PTA for supporting our students and teachers! Below is a list of purchases your fundraising and direct donations have allowed:

- New furniture in the commons - $12,000
- Electric piano for the music department – Approx. $2,200

Students in grades three through five will be taking the MAP test at the end of April and beginning of May. If you would like to see a sample test questions, visit: [www.smarterbalanced.org/practice-test/](http://www.smarterbalanced.org/practice-test/) and access released items. Simply go to “Practice Tests” and there will be a guest sign-in page. There is no code needed to take the practice tests.

We hope everyone has a wonderful and relaxing Spring Break March 23rd - 27th! I think we are all looking forward to spring. The end of the year will be here before we know it. If you have any questions or comments, please contact the office.

Sincerely,

Tabetha Rawlings
Principal
