Interesting Information About Our School:
Two Mile teachers are at the forefront in using the latest technology to assist instruction. Our staff works hard to effectively integrate technology into the curriculum in order to challenge students and help them achieve at their highest level. The Adventure Club Program is available for parents who need before or after school child care.

The Two Mile Prairie PTA is an active organization, helping students and teachers meet the educational goals of the school. We encourage you to join and to participate in the many fun, exciting, and interesting events that PTA sponsors.
