Dear Two Mile Prairie Parents,

Columbia Public Schools schedules Art, Music, P.E, and Media into 50 minute blocks. Days of the week will be assigned as an A Day, B Day, C Day, or D Day. The days of the week will rotate through a four day cycle. Classrooms will be assigned a particular specialist on each of the four days.

An example of this would be: Mrs. Smith’s classroom is assigned P.E. on A days. On each A day, Mrs. Smith’s students would wear their tennis shoes and have P.E. Mrs. Smith’s A day would change each week. For this example, Mrs. Smith’s A day is on a Monday. Since there is a 4 day rotation, Mrs. Smith’s class will have another A day on Friday of that week.

All schedules will be based on the four day rotation not on the day of the week. Please reference the calendar in the student folder. I would suggest posting the calendar on your refrigerator or bulletin board to know your child’s schedule. In addition, the letter calendar is posted on our website.

Sincerely,

Kristen Palmer
Principal
