Good Morning Cyclones!

Today is an A day

Here is what you need to know!

Lets talk about GRIP!

G is for GRATITUDE...what are you grateful for today and how will you practice gratitude next week?

Remember to get those punches in and turn in your cards to your teacher!

Gratitude
turns what we have
into enough

Who is rocking the GRIP Card Challenge? So far, Tsunami leads with 15 cards...everyone else FAR behind!

Fun facts from the JMS
Media Center

Fun Fact from the Media Center: In chess the piece that can only move diagonally is the bishop. In a game of chess, each player starts with two bishops.

Speaking of Chess - lets wish Jacob Stiepleman, Langston Schatz-Mitchell, Griffin Byrne, Akiva Trachtenberg, Marshall King, Vani Kumar and Ishita Gautam as they compete in a national level chess tournament this weekend!

Today is Zoo Day. Go to the JMS media center Schoology course and tell us your favorite JMS zoo critter and why this zoo critter is your pick..
