Columbia Public Schools – Columbia, Missouri

## U.S. CONSTITUTIONAL RIGHTS

All people in the United States have certain rights that are protected under the U.S. Constitution, regardless of their immigration status.

*All people in the U.S. are protected by certain educational and civil rights.*

## EDUCATIONAL RIGHTS

Enrollment - You have a right to enroll your child in any public school. The 1982 Supreme Court case **Plyer vs. Doe** ensures all students have a Constitutional right to enroll in public school, regardless of the immigration status of the students or their parents.

Confidentiality - **The Family Educational Rights and Privacy Act (FERPA)** prohibits school districts from providing students' education records to anyone without parent/guardian consent. Exceptions include the following:

- If there is a valid subpoena, judicial warrant, or court order
