- FEV1 or Peak Flow monitoring supplies to be kept in nurse's office

Columbia Public School's nurses recommend having an Asthma Action Plan for all students with asthma. Students who will be receiving asthma medications at school must have an asthma action plan on file. A form is available from the school nurse. If your physician has already developed an asthma plan, please provide a copy to the school nurse.

*****Please note: If your child has not used asthma medication in more than 3 years and no longer meets the criteria of persistent asthma, the health record may be changed to reflect 'history of asthma'. For questions, please contact your school nurse.**
