

# Falcon Flyer March 2019

*From the Principal...*

What an interesting winter we have had this year! It's caused a lot of changes to occur to routines and broken up the weeks with many starts and stops. Hopefully spring is on the horizon!

Thanks to everyone who came to a parent/teacher conference so information about your child's progress could be shared.

We still have one trimester of school remaining and lots to do before the end of the year. We know students will become busier with after school activities, but please continue to help them focus on their school work.

Save the date for the MAP test for students in third-fifth grades. We have a very short time frame to give the state assessments and will need all students in attendance from April 15-May 10. We appreciate your support and cooperation in this effort. Teachers will send more detailed information specific to each grade about testing days and times as the test window gets closer.

I hope everyone has a safe and enjoyable Spring Break the last week of March!

*Mrs. Diana DeMoss*  
Principal

## A note from Columbia Public Schools Administration

In order to be considered for an **elementary school transfer** for the following fall, a student's parent **must file a written request by April 1** with the Office of Student Services. Student transfers from one elementary school to another are discouraged, but are granted under certain circumstances.

Parents who think they have sufficient reasons for requesting a school transfer should contact their school office to obtain a transfer request form or visit the CPS district website at:

<https://www.cpsk12.org/Page/614>
