From the Principal…
I just wanted to give a hearty thank you to our amazing PTA! They worked so hard to organize an amazing Fever Festival for our students and families in October! That event is Fairview PTA’s main fundraiser and provides a fun event for families and students to interact. Thanks to everyone who donated or volunteered to help make this event a successful one!

We have almost completed our first trimester. That brings us to parent teacher conferences. Please set aside the time to come visit with your child’s teacher. Specific information about your child’s progress this year will be shared teachers will answer any questions you may have. Teachers will be sending home notes to schedule a time for your child’s conference. Our goal is to have 100% participation in conferences. Please help us meet this goal for our kids!

We also have a few days off for Thanksgiving late in the month. Wishing you all a wonderful holiday with much to be thankful for!

Mrs. DeMoss

MUSIC

In music all grade levels have been singing, dancing, creating, and playing music! Many classes have had the opportunity to play our classroom set of ukuleles and all classes just finished singing and exploring our fall songs! During November we will be singing Thanksgiving songs. All grades will learn the ever famous song about Super Turkey who always gets away-ay-ay-ay!! Follow the music room on Facebook www.facebook.com/FVEFalconsMusic and Twitter @FVEFalconsMusic

P.E.

Your students have been working hard in PE! We’re finishing up our fitness measurements with grades 3-5; be sure to ask them how they did!

Grades K-2 have been practicing some of those measurements, as well as working on fitness stations. All students will begin the tumbling unit on Friday, October 25. We will focus on non-locomotor movement, balance, weight transfer, rolls and wheels. The older students will put some of these skills together in routines. This is always a favorite for the kids—looking forward to it!

ART

The past several weeks all grades have been working on different Landscape projects. Ask your student what they have been learning about in art! If you wondering why you have not seen any of your students artwork, that’s because we are going to have an all school art show later on in the school year! Students will be selecting a couple pieces to keep at school and the rest will come home soon. Don’t forget to follow us on Facebook at: www.facebook.com/Fairview-Art-27209229217932659/ And Twitter @FairviewArt
NURSE’S NEWS:
Remember the flu virus spreads when droplets from the person infected coughs, sneezes, or talks. When these droplets fall into the mouths or noses of other people, then the virus can be transmitted from one person to another. Most people are considered contagious from 1 day before symptoms develop and up to 5-7 days after becoming sick. Please keep your student home if he/she has a fever of 100 degrees or more; and keep them home until they are fever free for at least 24 hours without the use of fever reducing medication.

Sign and symptoms to look for:
- Fever/chills
- Cough
- Sore throat
- Runny/stuffy nose
- Muscle/body aches
- Headache
- Fatigue

We have two MU nursing students working for us in the Fairview Nurse’s Office this semester. These students have been trained in accordance with CPS policy and procedures including laws regarding confidentiality. Please contact Rachel Willenberg if you have any questions or concerns.

Winter Weather: As cooler weather approaches, parents please dress your students accordingly. At this time of the year it is hard to predict the weather, so dressing in layers is always good. Winter will be upon us soon…. In the event that school is cancelled or we have a late start due to inclement weather, families can be notified thru text, phone and email. To sign up for Parentlink/Blackboard go to or click the link: https://www.cpsk12.org/Page/86

Also, the local radio and television stations will broadcast school cancellations beginning at 6:00 a.m. Decisions to cancel school are usually made in the morning after the roads have been tested and driving conditions have been assessed!
