

Rock Bridge HS Athletics

2022-23

Athletics Participation Documentation

Welcome to Rock Bridge High School Athletics!

Before a student athlete may participate in high school athletic events, families must obtain a physical examination from an authorized medical professional and complete and submit required documents. Rock Bridge HS uses a system called PRIVIT to digitally collect and manage athletics paperwork. Rock Bridge HS parents/guardians can set up an account on Rock Bridge's PRIVIT site and establish student profiles for each family member participating in sports at RBHS. Returning families who already have a family account for another RBHS student may simply add an additional profile for their new Bruin athlete.

Rock Bridge's PRIVIT site may be accessed for the 2022-23 school year starting June 5th, at the following link: <https://rockbridgebruins.e-ppe.com/index.jspa>. All that is needed is a parent/guardian email address and a password of the parent or guardian's choice. Please keep the user login and password in a secure place so you can later access your account for updates as your student progresses through their high school athletics career.

All the paperwork necessary to comply with the Missouri State High School Activities Association's requirements for athletic eligibility as well as Rock Bridge's, are located on PRIVIT. These include the Pre-Participation History, the Interim Medical History, MSHSAA Concussion Materials & Acknowledgement, Parent Permission, Student Agreement, RBHS Athletics Handbook, and Personal Data Form. A copy of the student athlete's completed physical form (signed and dated by an authorized medical professional) must be uploaded to the student profile. Please be sure that your scanned or photographed physical is clear and readable. Also check that the physician or authorized medical professional "cleared" the student for sports, signed the form, AND dated the document next to his or her signature.

Detailed instructions for establishing a PRIVIT account and student profile, as well as the MSHSAA Physical Examination Form can be found at www.rockbridgebruins.org under the Resources tab.

Please email any questions to Edith Stevens, Athletics Secretary, at edstevens@cpsk12.org. Please note Mrs. Stevens will be away for the summer break. Emails and phone messages may not be returned until August. For additional assistance with PRIVIT, please call the PRIVIT Help Desk at 1-844-234-4357.

Go Bruins!
