

## **Student Parking at Rock Bridge High School**

Students are allowed to drive and park at RBHS prior to being issued a parking permit. Students are required to park in the North Parking Lot or spaces in the South Lot with a yellow bear painted in the spot. We will let you know when and where we will be handing parking passes out at RBHS, through the InfoBruin, The Bridge Communication, and at school.

### **Parking Pass Information**

Please carefully read the following RBHS 2020-21 Student Parking application. Please especially note the following:

- 1- EVERY vehicle that a student parks at RBHS/CACC must be registered with RBHS and have a parking pass displayed.
- 2- There will be no charge at this time for a parking pass, but you must still fill out a parking application and get the pass to display.
- 3- Board policy requires RBHS to obtain a copy of student driver's license as well as a copy of the current vehicle insurance card. These cannot be sent digitally. They must be mailed in or copies need to be delivered in person by students when we are ready to collect them.

You may send the information to us in either one of the following ways:

- 1- Open up Student Parking application. Fill in requested information and submit online. Make a copy of student driver's license and insurance card and mail to RBHS.
- 2- Open up Student Parking application. Print out requested information and fill in. Make a copy of student driver's license and insurance card. Mail all of these to RBHS.

\*\*If you have already submitted an online application, please double check that you have mailed in these 2 items, we have many students missing these and cannot hand out passes without them.

Mailing address is: RBHS
