Assistant Superintendent for Elementary Education Named

Columbia, MO -- Columbia Public Schools will be recommending Jill Dunlap Brown as the new assistant superintendent for elementary education to the Board of Education at its next meeting.

Brown will be replacing Ben Tilley who will retire at the end of the school year.

Brown has been the principal at Russell Boulevard Elementary School since 2014. She has more than 16 years of experience in education. She has been a classroom teacher, reading coach, professional development provider, educational consultant, and an elementary principal.

Brown holds a doctoral degree in educational leadership and policy analysis from the University of Missouri.

“Dr. Brown has extensive experience creating systems to support student learning,” said Superintendent Peter Stiepleman. “We’re excited for her to continue that work as a part of our district leadership team.”
