FOR IMMEDIATE RELEASE

March 5, 2016

### **HIGH SCHOOL SENIOR SELECTED FOR STATE ACADEMIC HONOR**

High school senior Alexander Harmata of Hickman High School has been selected for the 2016 Missouri Scholars 100, a statewide program that honors 100 of Missouri's top academic students in the graduating class of 2016. The announcement was made by Eric Johnson principal at Hickman High School. Students will be recognized at a luncheon at the Holiday Inn Executive Center in Columbia, MO, on Sunday, April 24, 2016.

Missouri Scholars 100 is a program sponsored by the Missouri Association of Secondary School Principals. Schools across Missouri were invited to nominate candidates for this state wide recognition. The selection is based primarily on a formula using the student's grade point average and ACT or SAT score. Each student nominated had to first meet criteria of an "Academic Decathlon," which included ten "events" designed to assure the academic strength of the student. To meet the decathlon requirements, the student must have a minimum GPA of 3.750, a minimum ACT score of 29 or a minimum SAT score of 1,900, be ranked in the upper ten percent of the class, and have taken upper level courses in mathematics, science, English, and foreign language. The student must also have excellent attendance, be an exemplary school citizen, and be involved in the school activity program.

Phil Lewis, Executive Director of the principals' association, said, "Students who are selected to this program have taken a rigorous course of study and have maintained the highest academic standards. The Missouri Association of Secondary School Principals wants to celebrate the achievement and success of these students and their schools."
