Treasurer's Report- Kim Hughes

- We are still behind on membership

Administrative Report - Mr. Jacob Sirna

- Mr. Sirna asked for our feedback on the Friday evening timing for the Homecoming dance. Some thoughts that were shared:
 - Friday night is difficult for those with Saturday morning sports/activities
 - have it Saturday and use breathalyzers
 - kids didn't go on Friday night because the casual atmosphere didn't feel 'special'
 - if we do it Friday, could the football game start earlier?
 - Friday night's casual approach is that kids were comfortable to wear whatever they chose
- Mr. Sirna spoke about Standards Reference Grading which is coming to CPS in the years ahead.
 - no official policy yet, but parents will start to hear about it
 - RBHS staff is currently reading a book on the topic
 - goal is for grading to become more intentional - create a level playing field between classes
 - it will require all high schools to align
 - lots of work will be required to make this shift
 - please be listening and bring questions to Mr. Sirna
- They are in the process of hiring door monitors
- Parents reported that it is difficult to get out of Soth Lot at dismissal without traffic direction
- Following a question, Mr. Sirna reported that nothing is being done to AUT or to block scheduling
