

# Midway Heights Elementary 2019-2020

## Family and Student Handbook

# WELCOME to Midway Heights Elementary School

The entire staff of Midway Heights Elementary School wishes to welcome all of our students and their families. The beginning of a new school year offers many opportunities as well as challenges for students and their teachers to find success and happiness. We want this year to be full of learning for everyone—students, staff, and parents. When we all work together as partners, learning and problem solving becomes a way of life.

To make sure it is a great year for all, please take the time to read the Family and Student Handbook and the District Student Handbook with your child. That way you and your child will know our expectations at Midway and in the Columbia Public School District. This handbook is provided as a quick reference for information you will need. Please keep it and the district handbook readily available for your use during the school year. The Midway handbook is available on our web page, <http://www.cpsk12.org/Domain/24>. The district Student Handbook for PRK-5 is available here:

<https://www.cpsk12.org/cms/lib/MO01909752/Centricity/Domain/47/StudHandELEM.pdf>

Our K-5 faculty consists of regular classroom teachers plus specialists in Special Education, Physical Education, Art, Vocal Music, Guidance and Counseling, and Media Center/Technology personnel. Our business/education partnerships are with Midway Optimist Club, Midway Electric, Spectrum Utilities Solutions, Boone County Fire Department, and D&H Drug Stores. Adventure Club will operate daily both before and after school.

As the principal, my role is to provide your child with the best educational setting possible. Let me know how we are doing, please feel free to send me a note or call to set up a visit. Parent input is invaluable. I look forward to working with you in the most important job we have - educating your child.

We invite you to join us, and together, we will share the power of knowledge on our journey of learning. Our best wishes for a successful year at Midway Heights Elementary!

**Angie Gerzen**

Principal

# **Midway Heights Elementary School Staff**

Gerzen, Angie - Principal  
Croy, Cindy - Principal Secretary  
Cheney, Natalie - Secretary/Health Aide Provider  
Verslues, Jan - Nurse (RN)

Creasy, Lottie - Kindergarten

## Midway's Mission

*Learning Together To Achieve Success For All*

Midway Heights Elementary School  
is a partnership of staff, parents, students and community  
with the following vision...

Midway students will grow as independent learners with the skills to make safe and healthy choices. They will have the confidence to be successful emotionally, socially, and academically.

Midway staff will be supportive, collaborative, enthusiastic team members dedicated to the learning of all students.

Midway's principal will keep students' best interests at heart, trust teachers, and create a safe, caring environment for all.

Discipline issues will be handled consistently, efficiently and appropriately.

Midway educators will promote the academic, social and emotional success of all students within a safe, nurturing environment.

Midway teachers will use developmentally appropriate practices to promote high learner engagement and build confident learners. The most important criterion for measuring success will be individual student growth.

Midway will be a place that welcomes family and community members in the educational process.

When students transition from Midway, they will be prepared to make positive choices that will be personally rewarding and purposeful.

## **Know the Expectations for Midway Heights Elementary**

**Animals at School:** With respect to people with animal (dog, cat, etc.) allergies, family pets will not be allowed at or in the school.

**Arrivals and Dismissals:** School begins at **7:40 a.m.** each morning. Your child should arrive at school between **7:20 a.m.** and **7:40 a.m.** Early arrivals (before 7:20 a.m.) are **not allowed as supervision is not available and students will need to wait outside the building.**

**Students Arriving/Leaving by Car – Before School** – When your child gets dropped off at school in the morning either by you or the bus, he/she goes to the gym to sit with their class or the cafeteria for breakfast. They meet with their classmates and visit quietly until 7:40 a.m., when we have our morning assembly. If your child gets to school after 7:40 a.m., an adult will need to check the child in at the office to get them a tardy slip before going to their classroom.

**After School** – Dismissal begins at 2:40 p.m. If you choose to pick up your child after school, **park in the lot on the east side of the building and meet your child at the front door OR stay in the car line along the drive leading up to the school from Trails West.** If you choose to get in the car line, please do not get out of your car - we try to keep the line moving as quickly as possible. As you pull around thru the pickup line, your child will be waiting for you. Children are not allowed to cross any of the driveways around the school due to traffic and insurance regulations. Everyone needs to stay on the sidewalks and crosswalks.

**The north side curb is painted red and is for buses only. This curb must be clear for buses all day. The buses have a separate entrance and exit. Parents should not be parking in the lot on the north side of the building unless there are not enough spots in the east lot.**

**Parking in front of the building is prohibited due to it being a fire lane (parent pick-up and drop-off lane). The drive in front of the building is for emergency vehicles and delivery trucks only.**

**A****ttendance/Tardy Policy (absences and appointments):** All students are expected to attend school regularly and to be on time for class to receive the maximum benefits from the instructional program, and to develop habits of punctuality, self-discipline, and responsibility. Absence from a class can never be completely made up because the student will have missed class discussion, teacher presentation, and his or her own opportunity to participate.

If your child will be absent from school, please call the school office at 573-214-3540 by 8 a.m. Parents who would like school work to be sent home should make arrangements with the office when calling to report an absence. The attendance secretary will call families who have not called school to verify a child's absence. The school will review the attendance records of students with chronic attendance issues. In these situations, parents will be contacted by letter, phone, or in person to resolve the situation. If the absences are judged to be unexcused or excessive, the administrator will complete and forward a Public-School Truancy Referral Form to the appropriate authorities (Division of Family Services, Juvenile Court Services, Prosecuting Attorney, or law enforcement.)

Prompt arrival at school greatly assists a child in having a positive start to the school day. School doors open at 7:20 a.m. and supervision of students is provided at that time. Students are considered tardy beginning after 7:40 a.m. and will need to report to the office for a late pass to be given to their teacher. Tardies do accumulate into missed attendance time and count against a student's attendance. Parents of students with chronic tardiness will be contacted by letter, phone, or in person to resolve the situation. Students riding on a bus that arrives after 7:40 a.m. will not be considered tardy.

Parents picking up their students early during the school day should park in the front parking lot and enter the front doors. Parents will then check in through the office and sign their child out. The office will call and have

the child gather his/her belongings and come to the office. Parents should not go to a classroom to pick up a child~this disrupts the learning.

## **B**ehavior:

**Serious Behavior:** Students who have serious behavior that disrupts learning or is unsafe will be referred immediately to the principal and removed from the classroom to discuss and solve the problem. If serious behavior concerns continue through the year, parents will be asked to partner with the school to problem solve.

**Consequences:** The consequences for office referrals may be loss of recess, loss of privileges, time spent in the office, in-school suspension, out-of-school suspension, meeting with the teacher and parents, a behavior plan, and/or referral to a school-based counseling group. We always try to find a natural consequence for the situation.

**Missouri Safe Schools Act:** The purpose of this act is to ensure that school is a safe place for students and employees. It is important to know that this law means that no drugs, no weapons, and no malicious physical contact will be tolerated in school, on school grounds, or on school buses. **If weapons are brought to school by students, mandatory suspensions and/or long-term expulsion are consequences.** Specifics about this act and consequences for children are included in the District Student Handbook.

**Bullying:** This is considered **repeated** and **systematic** intimidation, harassment and attacks on a student or multiple students by a student or group of students. Bullying includes, but is not limited to: physical violence, verbal taunts, name-calling or put-downs, threats, extortion or theft, damaging property, or exclusion from a peer group. Midway takes bullying seriously and will follow state and district guidelines.

**Birthdays:** It is not permissible for a child to pass out party invitations at school unless they are inviting the whole class to the party. Parents need to ask teachers ahead of time if they would like to bring birthday treats for the classroom. The teacher will let you know when an appropriate time is.

**Bus Conduct:** Busing is provided by Student Transportation of America. Questions regarding bus numbers, pick-up times, late busses, etc. should be directed to Student Transportation of America by calling 573-214-3860. Many students will ride the school bus each day and most will ride a bus at some point during the year on a field trip. To ensure each child's safety and comfort on the bus, we ask that you go over the following expectations with your child.

- Obey the bus driver. Follow directions the first time they are given.
- Keep head, hands, and feet inside the bus.
- Keep the aisles clear.
- Remain seated in your assigned seat. (Back to back, seat to seat, feet on the floor).
- Do not eat, drink, or throw trash on the floor of the bus. Keep food in your backpack.
- Keep all your belongings to yourself and inside of the bus.
- Use respectful language. No loud talking or noises.
- Bullying will not be tolerated and will be reported to school officials.

It is a privilege to ride the school bus. Students are subject to losing their riding privilege for infractions of the above rules. If it becomes necessary for the driver to refer a student for repeated infractions of bus expectations or any other form of behavior deemed inappropriate by the driver, the driver will complete a School Bus Conduct Report which will be delivered to the assistant principal at the earliest possible time.

Bus Consequences:

- Step 1. Bus driver offers verbal directives for inappropriate behaviors.
- Step 2. Bus driver takes corrective action by assigning seats.
- Step 3. Bus driver generates a Bus Conduct Report producing corrective action by a building administrator.
  - a. 1st conduct report – Principal gives verbal directives with parent contact.
  - b. 2nd conduct report – Principal gives verbal directives with one day suspension from bus riding privilege.
  - c. 3rd conduct report – One to three-day suspension from bus riding privilege.

- d. 4th conduct report – Five-day suspension from bus riding privilege.
- e. 5th conduct report – Ten-day suspension from bus riding privilege.
- f. Future conduct reports – Ten-day suspension from bus riding privilege.
- g. Severe behaviors (fighting, bullying, aggressive behavior towards other passengers or the bus driver) results in a minimum 10-day suspension from bus riding privileges and potential revocation of bus riding privileges.

**Cell Phones (students):** We understand that students may need a cell phone before or after school for safety reasons, however, they do not need them during the day at school. Cell phones must stay in the student’s backpack, always turned off. If as a parent, you feel your child is responsible enough to have a phone, then they will need to be responsible for it on the bus and at school. If the cell phone is lost or stolen, the school will not be held liable.

## **C**ommunications:

APP store: download Columbia Public Schools app on your phone

Midway Website: <https://www.cpsk12.org/Domain/24>

Twitter: @MidwayEagles

Midway PTA Facebook: <https://www.facebook.com/search/top/?q=midway%20heights%20elementary%20pta>

Teacher Communication: Class Dojo

Principal Communication: ParentLink

Flyers for Clubs/Camps/Sports, etc: Peachjar

CPS District: Family Portal

## **C**ostumes/Fall Parade & Special Days:

- Costumes must be easy to put on over clothes
- Costumes or special days will not include face paint, scary masks or weapons
- Costumes must be appropriate (follow dress code and not be scary)
- Fall Parade – takes place in circle drive. Teachers will then take their classes back to the classroom for their party.

**E**mergencies: In the case of an emergency or accident involving your child, you will be notified immediately. If you have an emergency and need to get in touch with your child, please call our office at 573-214-3540.

If there is weather or a community emergency, please follow the guidelines outlined below:

- Do not call at the time of the emergency. We will be busy making sure that your child is safe.
- If you feel that you must come to school, please report to the office area and you will be directed to a safe area in which to wait for your child.
- If you feel that you must check your child out immediately, only your own child will be released to you after you sign them out.

**F**ield Trips: Midway has created a policy that will be used for grades K-5 to maintain consistency in the school regarding field trips. As you know, it is our expectation that all students follow the “5 Keys to Success” each day. If the students are not following the “5 Keys to Success” prior to the scheduled field trip, they may not be able to attend the learning event.

Field trips are an extension of our curriculum and are labeled as a privilege and not a right. Therefore, if a student has any of the following decisive factors on record in the school, teachers will have the authority to restrict participation in the field trip or school activity:

- Office referral(s) within the past month prior to the activity
- In school or out of school suspension within the trimester
- Excessive uncompleted work due to lack of effort

In addition, the student may be unable to participate if they have demonstrated behavior that is unpredictable or dangerous

for themselves or others. If a child is deemed unable to participate in the field trip or school activities, the school will find a suitable place for the student to spend the day or the parent may decide to keep them home on that day. However, he/she will be counted absent if the parents make the decision to keep them home from school.

Teachers may or may not request the presence of a parent on the field trip. Teachers may need to limit the number of parents that attend. **Field trips are for the grade level child only – no siblings.**

**F**loral/Balloon/Deliveries to School: In order to protect the educational climate in the classrooms and safety on the buses, we do not accept any deliveries for students during the school day. We recognize that birthdays and holidays are special occasions, however, we ask that all deliveries be made to your home address. This policy does include Valentine's Day delivery.

**H**oliday Observations: In developing party schedules, we are sensitive to beliefs of individuals who may or may not celebrate the same holiday. The school will establish a calendar of parties and events so that everyone may plan accordingly. An alternative activity will be planned for students not attending the parties – please let the office know if you have students that require this. All classroom parties will be held from 2:00-2:30p.m., this includes Fall, Winter and Valentine parties.

### **H**omework Policy - Based on Best Practices:

**Purposes:** Homework for our elementary students instills good work habits for future learning and supports positive attitudes toward studying. It is to reinforce concepts that have been taught in the classroom, responsibility and good study habits.

**General Guidelines:** Homework should be about 10 minutes per grade level per night (i.e. 20 minutes for second grade, 50 minutes for fifth grade). If it is more than that for your child, please let the teacher know.

#### **Expectations:**

- Homework should be completed on time.
- Homework will be checked for completion but not always formally graded.

**L**unch: Students get 20 minutes for lunch. Your child's teacher has a copy of the schedule.

- Students should pick up all items, utensils, milk, etc. before going to their table.
- Once at the table eating, students must raise their hand and ask permission to get up.
- We want students to be able to visit with those nearest them and casual talking with others at their table is permitted and encouraged.
- When the lights are off, all talking ceases. Students will be expected to follow the cafeteria expectations. These are posted in the cafeteria and reviewed with the students throughout the year.
- All food and drink is to be finished in the cafeteria.
- Students are not to share their food with others.
- Students should stay seated until they are dismissed.
- When students finish eating and are dismissed, they should:
  - a) Pick up all paper/trash in their area to be thrown away.
  - b) Students will wipe their spot at the table before lining up.

**P**arent Communication: Communication between home and school promotes a positive school climate. Please check your child's backpack daily. The school and teachers will communicate electronically with parents through Class Dojo, ParentLink or the Family Portal. You can expect to receive behavior (individual) and academic (both individual and what the class is doing as a whole) information from teachers. The office will email through ParentLink a monthly newsletter to keep you updated about school activities. Flyers and such will be emailed out through Peachjar or a link is on our webpage.

Please help us by making appointments when the need arises to see your child's teacher or the principal. The best and easiest way to reach a teacher is through email. Teachers will share their school email address with parents. Please understand that they can't always respond right away because they are teaching, and they may not have

time to respond before school is out for the day. Most school activities are posted on the school's webpage at <https://www.cpsk12.org/Domain/24>.

**Parent/Teacher Association (PTA):** The Midway Heights PTA has an outstanding tradition. Families are highly encouraged to join and participate in this organization. It is an association that works to provide the school with money to enhance the education of our students and to support the teachers and staff with their responsibilities. All PTA meetings are open to every member and will be advertised ahead of time. Open discussion allows all members to offer ideas and opinions. Members will have an opportunity to participate in long-range planning and achievement of the group's goals. Attending these meetings will give you an idea of what goes on at school and how our fundraisers are organized, and the money spent. The Fall Festival is the PTA's major fundraiser. We hope all families will participate or assist in some manner.

**Personal Items/Toys:** School personnel will not be responsible for personal items brought to school. Items such as toys, sports equipment, electronic games or devices, fidget spinners, trading cards, or other items that might cause a distraction or problem should not be brought to school. Personal items that are not part of the instructional program will be confiscated by school personnel and held until the end of the day. Continued incidents will result in the item being held until it is picked up by a parent or guardian. Students are not allowed to bring gum or candy to school unless requested to do so by the classroom teacher. Please check your child's backpack each day and leave any items not school related at home.

**Snacks:** Teachers may make the decision about having mid-morning OR mid-afternoon healthy snacks in their classroom. Students will need to bring their own healthy snacks for snack time.

## **V**olunteers

(POLICY IICC) The philosophy of the Volunteers in Columbia Schools Program embodies the belief that community participation in the schools enriches the school program and fosters the public's interest in our schools, both of which can make a positive difference in the educational environment. Goals:

1. To use parent/community volunteer resources to enrich student experiences and improve student performance.
2. To improve the quality, productivity, and effectiveness of education in Columbia Public Schools.
3. To stimulate action for expanded community involvement in Columbia Public Schools.
4. To broaden the scope of understanding between the community and the schools.

Code of Ethics for Volunteers:

To promote volunteerism in our schools, it is essential for all school volunteers to adhere to a professional code of ethics. We ask that volunteers subscribe to the following:

- **Attitude:** Come to school with a positive attitude, one that will say to the principal, "I'm glad you asked me to help you," and one that will say to the student you are working with, "You are so special, I'm glad that I have an opportunity to work with you."
- **Dependability:** Be dependable. The teachers will have planned activities for you to use with the students. Students and teachers depend on your help and participation.
- **Communication:** Your volunteer work should be a learning activity for you. When you have questions about policy and procedures, ask the appropriate person - the teacher, the principal or the building volunteer coordinator.
- **Confidentiality:** Your knowledge of students and the information about those who are succeeding or struggling must remain confidential.
- **Support:** As a school volunteer, you are in a support position. You will need to support the teacher, principal and the school district since they are responsible for the education of all students at school. As a school volunteer adhering to the Volunteer's Code of Ethics, you will be an integral part of the school team whose goal is to provide opportunities for all children to learn.
- **Volunteers shall act in accordance with district policies, regulations and school rules.**

- Volunteers are under the direction and control of the building principal. The building principal may ask a volunteer to leave the campus if he/she violates a school rule. The superintendent/designee shall be responsible for investigating and resolving complaints regarding volunteers.
- Volunteers shall maintain the same confidentiality standards expected of certificated personnel and exhibit the ethical behaviors of a professional.
- Volunteers shall not have access to confidential student files or records.
- A criminal/child abuse record check shall be performed for each volunteer who has regular and frequent contact with students; unsupervised or one-on-one contact with students; or serves in a supervisory role. Criminal/child abuse record checks will be waived for parents/legal guardians who volunteer at the school with their child(ren), current district employees, and employees who have retired from the district within three months of requesting to volunteer.
- Volunteers who have occasional supervised contact with students do not need to complete criminal/child abuse record check.
- Volunteers subject to a criminal/child abuse record check will be required to resubmit record check information if there is a break in volunteering outside of the usual school year cycle breaks. If reasonable cause exists, any volunteer may be asked to submit or resubmit for a record check at any time.
- The district shall pay the criminal/child abuse record check fee required by the Missouri State Highway Patrol and Missouri Department of Social Services. Results of criminal/child abuse record check will be submitted to the superintendent/designee for review. Individuals who have been determined as not compromising the safety of students will be approved for volunteer status.
- Volunteer applications and background check forms can be obtained through the district's Community Relations Department or online at: [www.cpsk12.org/volunteer](http://www.cpsk12.org/volunteer) Volunteers will be covered under the district's liability insurance policy while performing services sponsored by the school or the district.
- Only individuals who will be alone, unsupervised with children (**not their own child**) need to complete the background check process. Examples would include chaperoning on a fieldtrip, reading with or tutoring students one-on-one or mentoring. Conversely, room parents, parents volunteering to run booths at carnivals, parents helping with drop-off or dismissal would not require a background check. Parents visiting their child or working with their child at the school also do not need background checks.

**W**hat to bring: Student supply lists are available on the school and district website page. Bring supplies to school on Meet the Teacher night in August.

**Y**earbook: A yearbook will be sold each spring. Look for a flyer in the spring to get yours! If you enjoy taking pictures, please bring your camera to activities and send your pictures to the school. We would love to include them in the yearbook! We only purchase the number of yearbooks ordered.

Legal Holidays.....November 28, December 25, February 17, July 3  
 (Independence Day Observed on July 3)  
 Labor Day ..... September 2  
 Thanksgiving Vacation..... November 27 – 29  
 Winter Recess..... December 23 – January 2  
 Martin Luther King's Birthday..... January 20  
 Presidents' Day..... February 17  
 Spring Recess..... March 23 – March 27  
 Memorial Day..... May 25

April 22nd is a tentative flex early release day. By March 1st, the District will announce whether there will be an early release or a full school day, depending upon inclement weather days.

Snow days are built into the calendar (May 20 - May 27) in addition to the flex days. If the district uses fewer than 36 hours of inclement weather during the year, the unused days will be removed from the end of the school year.
