

Screen & Video Recording for Online Instruction

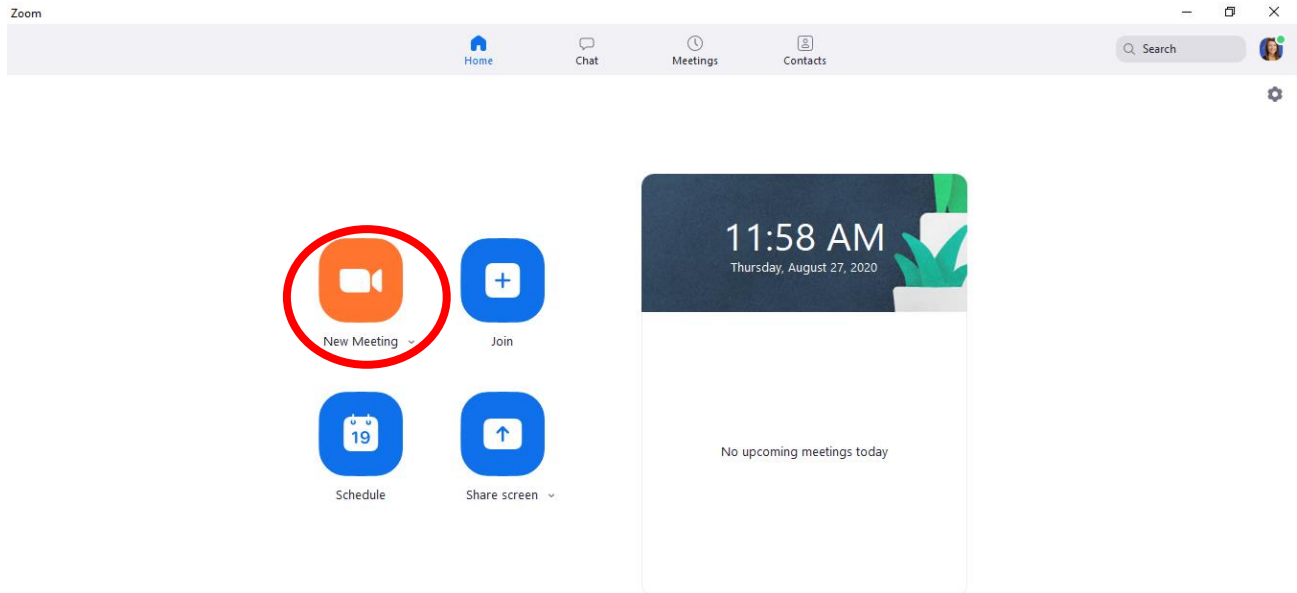

1. Open Zoom
2. Go to Your Settings

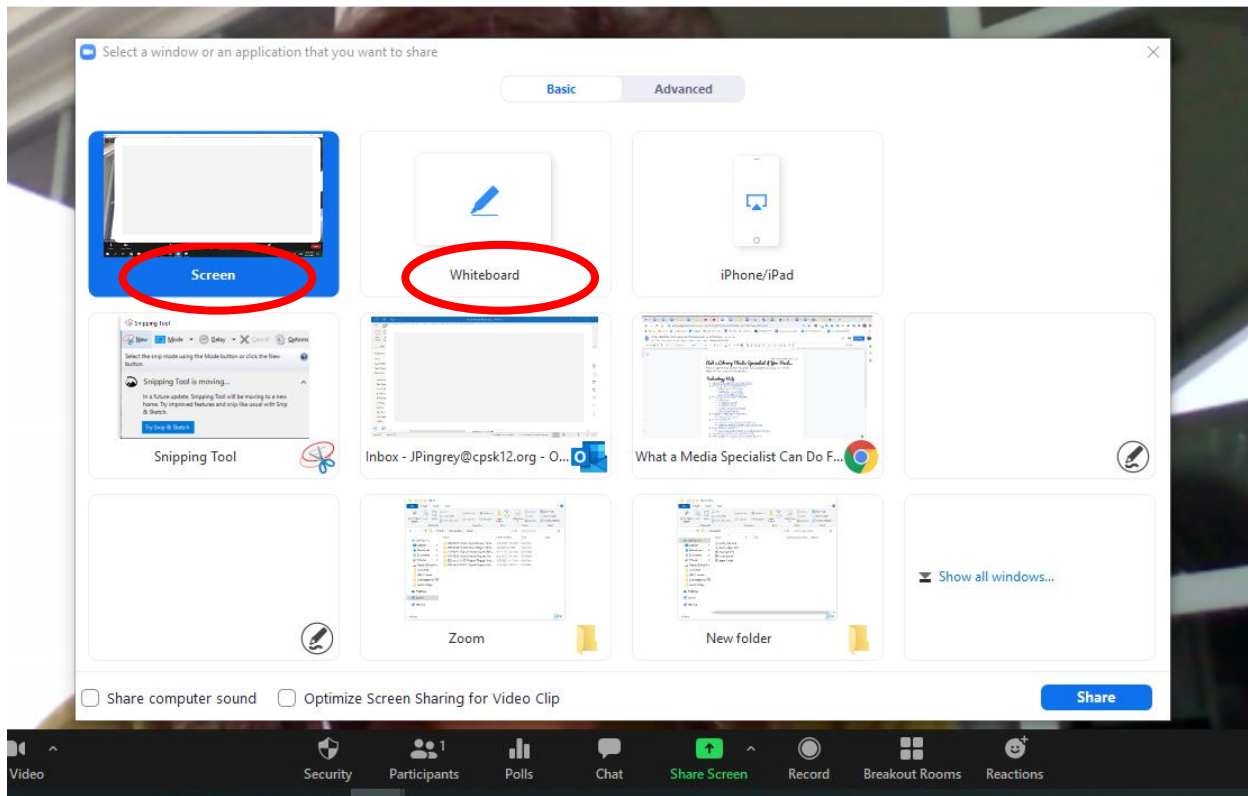

3. Choose your Recording Settings

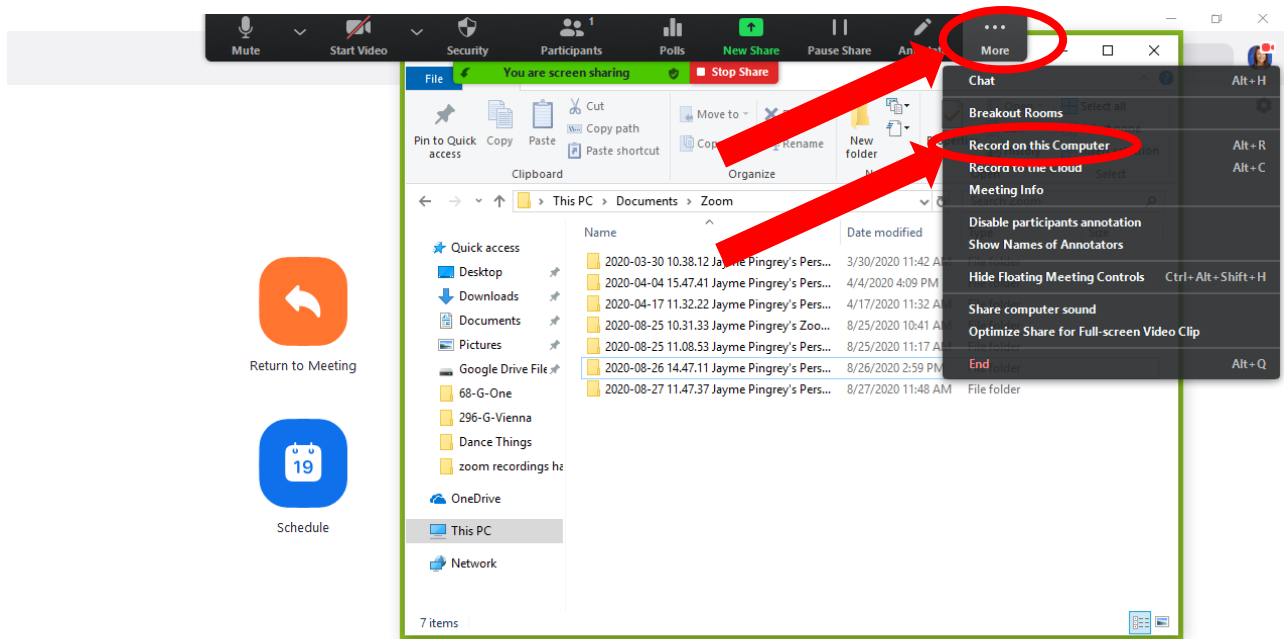

4. Start a New Meeting (with only yourself!)

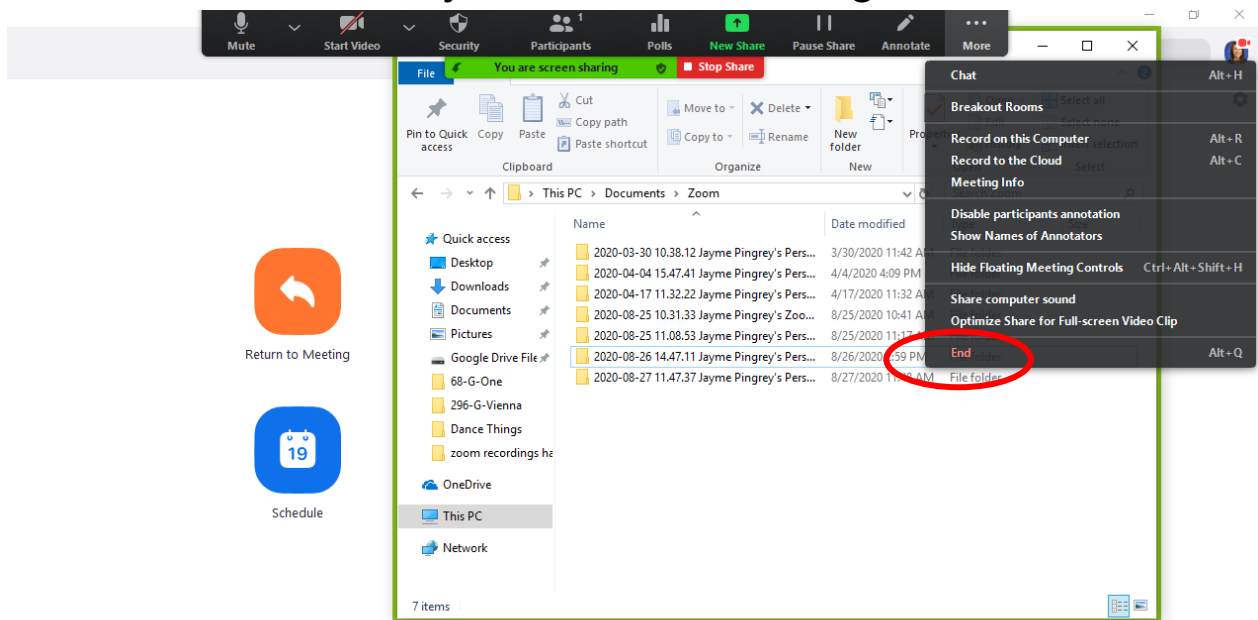

5. Choose What You Want to Share (screen, whiteboard, your video, etc.)

6. START Your Recording

7. When You are Ready to STOP recording, choose “END”

8. Once You End the Zoom, the program will prompt you to save your video

9. Upload your video to YouTube to generate a link to share to Schoology!
