2345 Howell Mountain Dr. Columbia, MO 65201

THE ARTS

Mascot: Phoenix
Colors: Orange, Green, & Purple

LOCUST STREET EXPRESSIVE ARTS ELEMENTARY

We believe that learning through the arts best prepares children for life.
THE LOTTERY PROCESS
An elementary lottery school:
All elementary age students who are residents of the Columbia School District are eligible to apply to attend Locust Street Expressive Arts Elementary School. Because of the nature of the instructional program at our school, it is recommended parents visit the school for orientation before applying. Students will need to have enrolled in Columbia Public Schools prior to applying online. Parents requesting that their child(ren) attend a lottery school must complete an online application. Upon completion of the online application, parents/guardians will receive an email receipt verifying that their application has been received. The email receipt will contain a confirmation code used during the lottery process. Parents can choose only one school per online application. If you believe your child would benefit from more than one of the schools, you must make an appointment with the principal of the other school(s) to complete a paper application for your second choice. Applications can be found at www.cpsk12.org

LOCUST LEARNING
It is our belief that students learn best when taught through the arts and real world opportunities in a meaningful learning environment that is caring and nurturing. The partnering with families and community makes strong connections and shows an appreciation for diversity. Positive collaboration leads to well-balanced, creative learning for all.

THE LOCUST MISSION
The mission of Locust Street Expressive Arts Elementary is to promote learning through the arts. Students, teachers, and parents work together as a diverse community to support high expectations and achievement for all students.
