## Free and Reduced Priced meal application

**We are having a significant decrease in free and reduced-price eligible families in the district because all meals are free to scholars this year. However, this may affect additional household benefits if there is not an approved application on file. It also decreases the districts' ability to access additional resources for our scholars such as grants opportunities that allow the district to provide additional programs of interest to our scholars.**

**Please help us out and apply for benefits if you feel like you might be eligible. To apply online go to:**

**<https://www.myschoolapps.com/Application> to fill out a Free and Reduced Priced meal application. Or print the application and send it to Nutrition Services 1818 W. Worley Columbia MO 65203. Applications are also available at Hickman in the West Office. Thank you so much for your consideration!**

## Schools Meals: More Than A Meal Application
