Esports – Overwatch Team

MAC Scholars Club

TODAY AT HICKMAN!

HOPE Club meeting

**HICKMAN DAY AT ALL THREE COLUMBIA
ANDY'S LOCATIONS**

Hey Kewpies! Did you know that participating in an act of kindness or even witnessing an act of kindness has a positive impact on your own mental health?

*Come take part in the “**Kewpie Kindness Challenge**” during your lunch on **Wednesday, November 17** and get some prizes.*

Hickman's Overwatch team is headed to the State Finals this weekend, hosted locally at Stephen's College. Team members are:

**Joshua Leavene (Captain)
Owen Roesslet
Ian Crawford
Carter Moore**

**Dylan Scott
Benji Richmond
Mari Williams
Avrey Franklin**

Our Overwatch team is entering the tournament as the 2nd seed, off a 7-1 record. They have been scrimmaging hard, multiple times a week, striving to improve for the rematch against Blue Springs (1st seed, 8-0 record). They could bring home the Esports club's **SECOND State Title this season.**

Josh, Owen, and Ian have been playing with the school for four years and were in the initial group of players who first joined the team. They improved each year and are excellent team leaders this year. It will be sad to see them go, but hopefully, they'll be able to leave with a state title under their belt.

Tickets for the event can be purchased at: <https://www.mosef.org/overwatch-fall-final>

Our friends at **Revolution Prep** are excited to offer David H Hickman High School families outstanding webinars this fall: **Understanding Athletic recruiting**. These events are hosted by experts in their relevant fields. Please see the event details and how to register below:

Title: Understanding Athletic Recruiting, Date: Wednesday, December 1, 2021, Time: 6 pm CDT

[**Registration link**](#)

Overview: In this webinar, students and parents will examine recruiting from an educational standpoint to learn how counselors can “coach” them on how to ask the right questions, self-recruit to achieve their athletic goals, and avoid the “Here’s How to Win a Scholarship” distractions from popular media and for-profit recruiting services. We will include the latest trends in athletic recruiting, including specialization, early commitments, the rise of club sports, the nuances of NESCAC and Ivy league recruiting, the accelerated timeline, and the impact of the pandemic on recruiting from both the coaches’ and students’ perspectives.
