Our friends at **Revolution Prep** are excited to offer David H Hickman High School families outstanding webinars this fall: **Understanding Athletic recruiting**. These events are hosted by experts in their relevant fields. Please see the event details and how to register below:

Title: Understanding Athletic Recruiting, Date: Wednesday, December 1, 2021,

Time: 6 pm CDT

[Registration link](#)

Overview: In this webinar, students and parents will examine recruiting from an educational standpoint to learn how counselors can “coach” them on how to ask the right questions, self-recruit to achieve their athletic goals, and avoid the “Here’s How to Win a Scholarship” distractions from popular media and for-profit recruiting services. We will include the latest trends in athletic recruiting, including specialization, early commitments, the rise of club sports, the nuances of NESCAC and Ivy league recruiting, the accelerated timeline, and the impact of the pandemic on recruiting from both the coaches’ and students’ perspectives.
