

Hickman High School Course Selection Worksheet  
*Rising Freshman*

**Instructions:** This is to help you consider the classes you will enter into Home Access. It is only a guide. Check out the videos and other resources in Schoology to help you make choices. Requests **MUST** be entered into Home Access.

**FIRST:** Select your Learning Environment either **In-Seat** (001LMIS) or **Virtual** (001LMV)

**CORE CLASSES:** Select one from each column.

English	Government	Physics 1	Math
1. English 9, 2. English 9 Honors,	1. Government, 2. Government Honors,	1. Physics 1 <i>or</i> 2. Physics 1 Honors	1. Algebra 1, 2. Geometry, 3. Geometry Honors, <i>or</i> 4. Talk with your current math teacher
3. English 9 with Government, <i>or</i>			
4. English 9 Honors with Government Honors			

**All Freshmen take an Advisory class this will be added for you.**

**ELECTIVES:** Take a look at the 9th grade short sheet for a listing of all classes available to 9th graders. Freshmen take a semester of Health and a Semester of PE in addition to two other classes. Consider your choices carefully.

Health and PE	Elective 1	Elective 2
Health <i>or</i> Health Honors		
Semester of PE		

**SECOND CHOICE CLASSES:** Sometimes your first choice class may not be available and a second choice is necessary. Please enter alternate classes for each of your elective choices. In Home Access you can either have it alternate with a specific class (like, French 1 as an alternate to Spanish 1) or for any class that is needed.
