How to view your Schoology course as a student

1) In your course, go to “Course Options” at the top of the left column.

2) Next, select “View Course As” in the pulldown menu.

3) Select the name of the person whose view you want to see and click.
4) Now, you are viewing as a student.

5) To return to the Teacher View, simply click “Back to Course”
