

# Research Request Process: Letters of Support

(Requested letters of support are typically for grant application requirements; allow at least 2 weeks for a response.)

Letters of support do not equate to approval of a research project by the district.

If awarded the grant, researchers must complete the research application process so that their project may be vetted by the district per [Board Policy LC](#).

No research may occur in the district without approval by the Research Committee.

If you have questions, please contact Shari Kraus at [skraus@cpsk12.org](mailto:skraus@cpsk12.org) or 573-214-3413.
