

Office Furniture for John Warner Middle School

Furniture for the administrative offices, conference rooms and collaboration areas at the new John Warner Middle School. Connectrac is for under-carpet wire management, National for conference and collaboration areas, OFS for task seating and Teknion for office furniture. Five vendors responded to the bid, two of which did not use bid forms provided to break out by manufacturer and were disqualified. All responses were evaluated based on the type of product offered (when bidding alternate to brand specified, sizes and design direction were evaluated), price of the product, and the District's past experience with the bidder.
