

### **Photography and Yearbook Services**

An RFP was created to award student photography and yearbooks for all the District's 21 elementary schools. The goal was to provide consistent photo package prices, yearbook prices and an 8 X 10 class composite to all children. Bids were received from six (6) photography companies. The selection was narrowed down to three (3) companies based on pricing, services provided and current experience within the District.

A committee consisting of seven (7) district personnel interviewed the three companies. At the end of the interviews, it was determined **Inter-State Studio and Publishing Co.** was the best candidate based on the criteria of experience, cost, service and quality.

Award to **Inter-State Studio and Publishing Co.**, Columbia, MO
