

**PROFESSIONAL CIVIL ENGINEERING SERVICES AND CONSTRUCTION QUALITY  
CONTROL TESTING SERVICES**

Qualifications were requested for professional civil engineering services and construction quality control testing services. Four (4) responses were received from SK Design Group, Crockett Engineering, Engineering Surveys and Services, and A Civil Group. Based on qualifications, it was decided to interview all four (4) firms on November 6, 2017.

An interview committee was created consisting of the following members: Jonathan Sessions, Board of Education Member; Anna Munson, Chief Financial Officer; Heather McArthur, Administrative Project Manager; Charles Oestreich, Director of Facilities & Construction Services; Dan Kardell, Engineer Facilities & Construction Services; Dana Reynolds, Purchasing Agent; and Lisa Ozanich, Assistant Purchasing Agent.

Using the criteria for evaluation provided in District policy FEB, the committee selected Crockett Engineering.

The term of this contract will run January 1, 2018 through December 31, 2020, with two (2) one-year periods after the initial contract for consideration of renewal, for a total of five years.

The District's current civil engineering firm, Engineering Surveys & Services, will continue to work on previously engaged projects, until projects are complete.

Attached is the negotiated fee schedule from Crockett Engineering.
