

Naked babies need their parents

Join Hickman's PTSA

All families are invited to connect with each other by joining the Hickman PTSA. The goal of the PTSA is to support the students, staff, and school of Hickman High School.

WHY JOIN? Hickman PTSA is the only parent group to represent every student at Hickman. We provide a voice and community for all Hickman parents. We support our teachers with funds and food. We present programs for all members of the Kewpie family. We celebrate the success of our students at the PTSA Awards Night. We show our children that we value education by being invested in their school.

WHERE DOES MY MONEY GO? Money earned by the PTSA is spent on needs for Hickman. PTSA awards \$4000 to the faculty of Hickman through the Kewpie Grant program. Some grants provided field trips for classes, materials for class projects, or funded unique learning opportunities for students.

HOW MUCH? Parents, guardians, students and staff can join the PTSA and help make a difference for our kids for the membership price of \$9. Donations of any size are always welcome!

Hickman is a diverse family and I want Hickman PTSA to reflect that diversity. When we have more voices at the table, we are able to better meet our students' needs. We need ALL voices at the table. If you ever want to know more about the PTSA, I am happy to visit with you more about the benefits of supporting our school.

If you have any questions, call, text, or email me. I look forward to the opportunity to share how we can work together to support our incredible school.
