

CPS Grab-and-Go Meal Service

Beginning March 30

Our grab-and-go meal delivery for students in need will still begin on March 30. We will have 8 buses running multiple stop routes Monday-Friday. Stops are not school specific, but rather designed regionally to include as many high-need areas as possible. Please find the stop closest to you and go there **with your student** at the designated time. Students ages 2-18 years of age can obtain a meal. Stops will last approximately 15 minutes. We ask that you practice social distancing while at the stop. Both breakfast and lunch will be packed as a Grab-and-Go bag. Students may select a sack meal, one milk and a fruit and/or vegetable. Meals contain mostly non-perishable items. Please adhere to disposal and refrigeration instructions for perishable items.

Federal regulations require that the student be present in order to obtain the meal. If your student has mobility concerns (or the parent has mobility concerns) which prevent them from getting to meal drop-off locations, another trusted adult may come to the drop-off location and pick up the student’s meals. In this case, when the parent/guardian/trusted adult picks up the student’s meal, they must provide their student’s ID number. If parents are unsure of their student’s ID number, please email sped@cpsk12.org for assistance.

Due to the unpredictable nature of our governmental directives in this time of uncertainty and/or due to an internal control that may have to be enacted, services may be forced to discontinue at a moment’s notice. We apologize in advance if we are forced to take this plan of action.
