

Dear CPS Faculty & Staff:

Earlier this morning, the city and county issued a stay-at-home order beginning March 25 through April 24. This means that our closure and alternative and distance learning methods will be extended.

Our hope is to return to school on Monday, April 27. We understand the order can change to be extended, rescinded, superseded or amended at any time. We continue to monitor the situation and will keep you informed of any changes or additional information as it becomes available.

Here's information on the order:

FAQ: <https://www.como.gov/CMS/pressreleases/downloadfile.php?id=2369>

We can't begin to thank you enough for your flexibility, understanding, and support during this unprecedented, uncertain and difficult time. You are doing an amazing job keeping our essential operations going and working to keep students engaged and learning in creative ways. Together we are living our school district values of empathy, grace, collaboration, integrity, transparency, and trust. We will get through this together.

Our team is working on next steps and guidance regarding alternative learning and essential operations for the extension of our current closure. Please look for information from your supervisor in the coming days. Our meal service for students will continue as planned and begins March 30. Additional information is attached.
