

## *Connecting your CPS iPad at Home* *~2 STEPS~*

The first step to connecting your iPad is to connect the WiFi to your home network. To do this, go to Settings and click on WiFi. Look for your network, select it and enter your network password.

**YOU MUST DO THIS EVERYDAY!!**

After connecting to your WiFi go directly to SAFARI to connect to CPS at Home. To trigger the iBoss box to connect you will need to touch the Google button, or type Google in the search box. That should trigger the following sign-in box.
