

LMS School Counselor

# Rachelle Lecure

## Student's Last Names A-I

---

I am Rachelle LeCure, a middle school counselor at Lange. This is my first year in the Columbia Public School district. Excited is a great way to describe how I am feeling to be here this year with a dash of nerves! This is my 25th year as a middle school counselor. My passion is to help all students realize their full potential academically and emotionally. My goal is to support each student through middle school especially to navigate through this pandemic.
