

Fall Enrollment Reminder – August 16, 2020

Dear CPS Families,

Just a friendly reminder that today, Sunday, August 16, is the last day to make an enrollment choice change for fall 2020.

The enrollment questionnaire, available through the [CPS Families Portal](#), will be open until midnight. If you **are not** changing your original choice, you **do not** need to complete the questionnaire. If you **are** making a change, you **must** resubmit the questionnaire with your new choice and it will override your previous choice.

Families that wish to change their enrollment choice **after today**, will need to contact their child's school to be placed on a waiting list while the district completes scheduling, class assignments and staff assignments. We will do our best to accommodate changes as space and scheduling allow.

The [recording of secondary webinar](#) on hybrid learning and the 4x4 schedule is available for those that missed the original session.

A frequently asked questions document on elementary in-person learning is attached for those that may have additional questions.

Thank you for your continued support and flexibility as we all navigate this difficult time together.
