

## CPS Virtual Update – September 11, 2020

### Good Morning Virtual Families — September 14, 2020

Get this: Last week CPS held 14,543 zoom meetings! Yes, you read that right: 14,543. Wow...you all are awesome!

More, of course this week. And as we ZOOM, students, please remember:

- \*ZOOM links should be in each of your classes in Schoology.
- \*You are expected to be in class, ready to start at the beginning of class.
- \*Appropriate behavior is expected online, the same as is expected in an -in-seat class.

A few other general reminders:

\*If you are still have technology issues a good place to start is your Media Specialist. If that doesn't help see next item.

\*Technology help will continue to be available this week. Help will be available at each of our middle schools Monday -Friday from 12:30 to 2:30 p.m. and at the Aslin Administration Building from 5 to 7 p.m. Students can also call the student help desk from 7:30 a.m. to 4 p.m. at 573-214-3334 or work directly with the media specialist at their school.

\*If you are still confused about how to read your schedule—or need schedule changes—contact your school counselor.

\*I understand some folks are confused about materials pick up. We are working with the buildings to clarify dates for this week.

\*Updated meal route and pick-up locations are available at [www.cpsk12.org/grabandgo](http://www.cpsk12.org/grabandgo).

Families needing a "hotspot" should fill out this form. <https://www.cpsk12.org/Page/17975> this is the fastest way to get a hotspot.

So proud of—and thankful for--everyone for all of the hard work you have put in to get this unique school year going. Have a great week!
