

## Grab-and-Go Meal Route Changes — September 28, 2020

Dear CPS Families:

Because we're always looking to make improvements and adjusting to meet the needs of our families, we've made some updates to our Grab-and-Go meal routes.

### **The changes begin on October 1.**

You can view the route list and the changes on our website at <https://www.cpsk12.org/grabandgo>. A location map is also available on our website.

Our grab-and-go meal delivery for students began September 8, 2020. Buses run multiple stop routes Monday-Friday according to the school district calendar. Stops last a maximum of 15 minutes. Stops are not school specific, but rather designed regionally to include as many high-need areas as possible. Please find the stop closest to you and go there with your student at the designated time.

Students ages 2-18 can obtain a meal. Adults **may** pick up meals for students who are unable to do so. A student number is not required for each student meal set that is obtained. If a child is not enrolled at CPS, we will need to know the child's name, and parent/guardian name and contact information. We ask that you practice social distancing while at the stop. Both breakfast and lunch will be packed as a Grab-and-Go bag. Students may select a sack meal that includes breakfast and lunch, one milk and a fruit and/or vegetable. Meals contain some perishable and some non-perishable items. Please adhere to disposal and refrigeration instructions for perishable items.

Thank you.
