Summer Enrichment Programs

What are YOU doing this summer?

The following list is a large sampling of the many program announcements Hickman receives each year. This listing is for informational purposes only; it does not constitute an endorsement by Hickman High School or the Counseling Office of any particular program. **It is the responsibility of students and parents to further research any programs they might decide to patronize.**

*Scroll all the way through to the end of the list. There are local, state, national and international programs listed.*

Local Summer Programs:

**Columbia College Summer Camps:** Offering a wide range of camps open to experts and beginners alike. You’ll learn from CC faculty, meet current students and get hands-on experience in everything from nursing to art. For more information, see [https://www.ccis.edu/day/summercamps/#.VwJ-Uk8rKJA](https://www.ccis.edu/day/summercamps/#.VwJ-Uk8rKJA)
**Mizzou Summer Camps:** Do you enjoy doing your own scientific research? Do you have interest in veterinary or human biology? What about getting your hands dirty and helping the planet through environmental sciences? Maybe you fancy yourself an artist, musician or even a five-star chef. At Mizzou, we have camps and academies related to all kinds of fun and fascinating stuff. See, [https://musis1.missouri.edu/precollege/summer_program.cfm](https://musis1.missouri.edu/precollege/summer_program.cfm)

**Stephens College Youth Programs-Dream Up Summer Camps:** Quality summer programming provided by the same dedicated faculty and offering access to the same quality facilities that our college-level students enjoy every day. Offering programs in equestrian, film, science, athletics and performing arts. For more information, see [https://www.stephens.edu/services/summer-camps/](https://www.stephens.edu/services/summer-camps/)

**The Audrey Walton Youth Leadership Program:** (FREE) Provides opportunities for Missouri youth (high school juniors & seniors) to gain skills that will assist them in becoming leaders in their communities and schools. This program promotes the importance of leadership, physical fitness, higher education, and a healthy life-style. For more information, see [https://www.smsg.org/other_news_display.php?entrytodisplay=22](https://www.smsg.org/other_news_display.php?entrytodisplay=22)

**CYCLE (Cooperative Youth Conference and Leadership Experience):** CYCLE brings in some of the brightest young leaders from across Missouri. The focus is to show students more about electric cooperatives, teach leadership skills and experience Missouri state government. The program includes nationally known speakers and a day at the state Capitol. For more information, see [http://www.booneelectric.com/content/cooperative-youth-conference-and-leadership-experience-cycle](http://www.booneelectric.com/content/cooperative-youth-conference-and-leadership-experience-cycle)

**The Missouri State Parks Youth Corps Program:** Get Paid! The Missouri State Parks Youth Corps will challenge participants to “Think Outside” by accomplishing interesting projects that help preserve and enhance Missouri’s state park system. This program is for low income youth who are interested in working outside and would like to make some extra money over the summer months. For more information, see [http://www.thinkoutside.mo.gov](http://www.thinkoutside.mo.gov)

**Missouri Summer Programs:**

**Anytown Youth Leadership Institute:** The Anytown Youth Leadership Institute, a program of The National Conference for Community and Justice of Metropolitan St. Louis (NCCJSTL), is a unique 8-day residential program for high-school-aged youth. For more information, see [http://www.nccjstl.org/anytown/](http://www.nccjstl.org/anytown/)

**Boone Electric Washington D.C. Youth Tour:** 80 Missouri high school juniors join 1,500 students from 44 other states to Washington, D.C., every summer. Students attend a conference sponsored by the National Rural Electric Cooperative Association. The conference includes sessions on youth leadership, discussions on community issues and solutions, and motivational speeches by todays recognized leaders. You have the chance to meet your senators and representatives, too! [http://www.booneelectric.com/content/washington-dc-youth-tour](http://www.booneelectric.com/content/washington-dc-youth-tour)
**Cottey College Summer Programs:** A week long residential workshop for high school girls who are interested in science, leadership, dance, music or computer programming. For more information, see [www.cottey.edu/youth-adults/summer-programs](http://www.cottey.edu/youth-adults/summer-programs)

**Leadership in Practice:** A leadership emersion program, provided by the Missouri Chamber Education Foundation. For three days in June on Westminster College’s campus Missouri’s brightest rising sophomore student leaders come together. For more information, see [http://mochamber.com/workforce/leadership-in-practice/](http://mochamber.com/workforce/leadership-in-practice/)

**Missouri Military Academy:** Missouri Military Academy hosts a Leadership, Confidence and Band camp as well as a Summer Academy each summer (Boys and Girls). For more information see, [http://www.missourimilitaryacademy.org/summer/](http://www.missourimilitaryacademy.org/summer/)

**University of Missouri-Kansas City:** Kansas City Design Discovery is a four-day program for prospective students interested in the design professions of Architecture, Landscape Architecture, Interior Architecture/Product Design or Urban Planning/Design. [http://info.umkc.edu/aupd/design-discovery-program/](http://info.umkc.edu/aupd/design-discovery-program/)

**Missouri State Innovation Academy (Springfield):** Offered for 3 weeks each summer, provides students with the opportunity to link their aptitudes with promising futures. For more information, see [http://blogs.missouristate.edu/cob/2013/08/07/making-an-impact-missouri-innovation-academy/](http://blogs.missouristate.edu/cob/2013/08/07/making-an-impact-missouri-innovation-academy/)

**Missouri Cadet Patrol Academy:** This five day program by the Missouri State Highway Patrol offers young men and women firsthand experience of the role of Law Enforcement in promoting and safe guarding American freedoms and rights. For more information, see [http://www.missourilegion.org/molegion_005.htm](http://www.missourilegion.org/molegion_005.htm)

**Missouri Academy for Youth Advancement:** A summer academic program designed for young, high-achieving students eager to earn advanced credits and learn in an accelerated and immersed academic environment in science, technology, engineering, mathematics and computing. [http://www.davidsongifted.org/db/Resources_id_14304.aspx](http://www.davidsongifted.org/db/Resources_id_14304.aspx)

**Missouri S&T (Rolla):** Offers 16 science and technology camps (minority and women focus available), all focusing on “hands on” activities. For more information, see [http://summer.mst.edu](http://summer.mst.edu).

**MITE: Minority Introduction to Engineering (Rolla):** High school juniors and seniors that are interested in a career in engineering, math, science or technology. Minority students for this program include African-American, Native Americans and Hispanic Americans. For more information see, [http://summer.mst.edu](http://summer.mst.edu)
**Missouri Science and Technology (Rolla):** Learn more about career options for women in engineering, math and science. Programs include; Girls Go Green, It’s a Girl Thing and Summer Solutions for Girls. For more information see, http://summer.mst.edu

**MODOT’S Annual Youth Transportation Conference:** FREE, The six day conference will be packed with sessions on bridge building, building and testing, surveying and various competitions. Speakers from MU Civil Engineering and various related organizations. For more information see, http://www.modot.mo.gov/EqualOpportunity/youthcamp.htm

**The Joyce Ivy Foundation:** Provides scholarships to help young women from Missouri, Nebraska, Ohio and Michigan in their pursuit of higher education opportunities at leading academic institutions. For more information, see http://www.joeycivyfoundation.org

**Kansas City Art Institute Pre-College Art Lab:** Three week residency program. Discover the daring and commitment it takes to be an artist. For more information, see http://www.kcai.edu/continuing-education/programs/high-school

**Lindenwood University’s annual Criminal Justice Summer Institute:** This 3-day program is a summer academic camp for students considered careers in criminal justice, or who are just interested in learning about the criminal justice system, the criminal mind, and investigative techniques. For more information, see http://www.lindenwood.edu/news/2015/1221.html

**Southeast Missouri (Cape Girardeau):** Summer at Southeast offers a wide variety of academic, athletic, and special interest opportunities to area youth ranging in age. Each program or camp is designed to highlight a particular field of study, interest, and/or skill and to encourage everyone to explore their potential. For more information, see http://www.semo.edu/camps

**St. Louis University (SLU):** We offer more than 50 camps and academies for Pre-K through high school aged students, nearly 500 college credit courses and host numerous conferences and events. For more information, see http://www.slu.edu/summer

**Truman Institute Summer Academies:** The home of summer academies at Truman State University. Checkout the Joseph Baldwin Academy, STAPH and Zombie Scholars Academy! For more information, see http://tiacademies.truman.edu/
