

2020-21 HABC Membership

Unfortunately due to COVID-19, Boone County Health Department is limiting the number of attendees at all sporting events. Therefore, HABC is NOT permitted to sell sport passes this fall season and possibly all year. However, you can still support the HABC by purchasing a membership only for the 20-21 school year.

The HABC provides support to the over 600 student athletes at Hickman High School. In addition, HABC provides cash scholarships directly to senior Kewpies as they take the next steps in their journey. Each year, the HABC funds requests from coaches for the latest equipment they need to provide the best experience for their athletes. We work closely with the Hickman Athletic Director and the coaches themselves to identify and fulfill their most important team needs. All grants we fund stay with the school/team ensuring the success of future Kewpies for years to come.
