

Finding your grade in Home Access for Blocked Classes

1. Go to Home Access and select the Classes Icon.

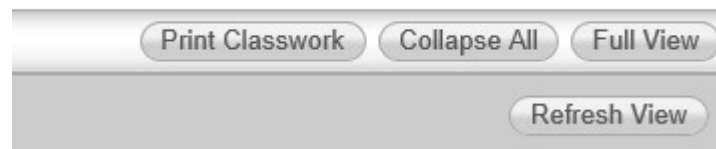

2. Make sure the Classwork Tab is highlighted. Notice the drop down box that has the number 4. Click on it.

3. Select the option labeled "5."

4. Click Refresh View found on the Right Hand side of the screen

5. You'll see the screen below: Select T3 and Click Continue.

The current report card run (5) has multiple Marking Periods. Please select a marking period and press the Continue button.

6. You should now see your Blocked class and the assignments that are entered. If you click Full View (also on the right hand side of the screen) your overall average for the course should appear.
