

Naked babies need their parents **Join Hickman's PTSA**

Welcome to our new and returning students, families, teachers and staff! We are returning to school amidst a global pandemic and change and uncertainty in so much of what was our stable life. But the thing to remember right now is that **WE ARE ALL IN THIS TOGETHER**. Whether you have opted to return to school in-person or have chosen to pursue the virtual option, we all want success and some degree of normalcy for our kids. We don't know how things will go this year, but we do know that the HHS PTSA wants to keep up with the work of providing support to students, faculty, parents and staff.

PTSA is a group that works together with parents, students and teachers to support the school as a whole by providing monies for field trips, extended learning activities for classes, supporting various programs and activities at Hickman High School and providing volunteer help at those events. Of course, this year will be different and our support may take very different forms, but we all know the public schools cannot do it alone. That is where we come in. This year our students and staff will face very different obstacles and situations. As we try to start fresh this year, **we welcome students, parents and teachers at our monthly meetings which are held on the second Monday of each month. This year our meetings will be via Zoom. Watch our website: <https://hickmanptsa.blogspot.com/>, twitter, facebook, e-mail for details to log in.**

Typically as PTSA we have fundraising opportunities throughout the year. We run the concession stand for football, basketball and other sports and we try to host programs that will benefit the school population. PTSA sponsors awards for students active in school programs and we encourage students to participate in the Reflections Fine Arts program as well. If students have an interest in art, literature, writing, film or photography, we would encourage them to submit a piece for the competition! While we will still pursue many opportunities for our students and staff, things may look somewhat different this year.

But HHS PTSA cannot do ANY of these things WITHOUT YOUR HELP! Please consider joining PTSA: become a member, volunteer to help with various events throughout the year, attend a meeting. Just as we encourage students to try to take advantage of all the high school offers, we would love to have many in the Kewpie Family involved with our PTSA. Please visit our website at <http://hickmanptsa.blogspot.com> for more details and check the HHS daily announcements for information about upcoming events and activities.

Back to school time is always an exciting time of year, but this year it is also a bit nerve-racking. We understand. As we said before, we are all in this pandemic together. We may not all be in the same boat, but we are riding this storm here, in COMO and at Hickman. Reach out, stay in touch and let's see what we can do - together- to make this year the best it can be! **Remember - WE ARE ONE!**
