

Student Guide to Installing the Kami Chrome Extension:

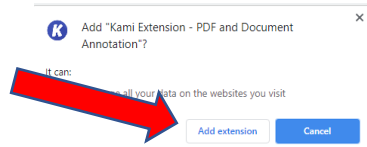

1. Open your Google Chrome browser and go to: <http://kami.app/extension>

2. Click on **Add to Chrome**

3. You will get an alert message:

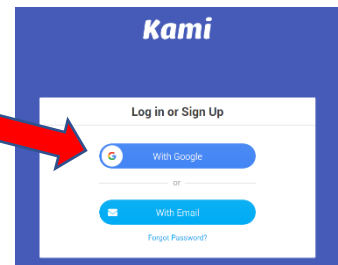

Click on Add Extension

4. From the next screen, choose Sign Up with Google

5. You may be asked to either Sign into Google or Choose an

Account. Make sure to use your *CPS Google account*. Example: 22abc01@stu.cpsk12.org

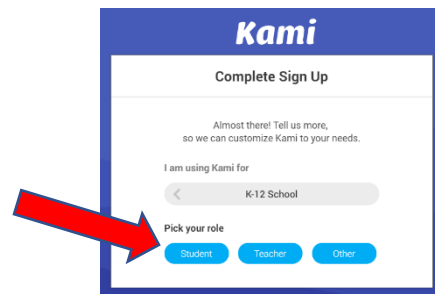

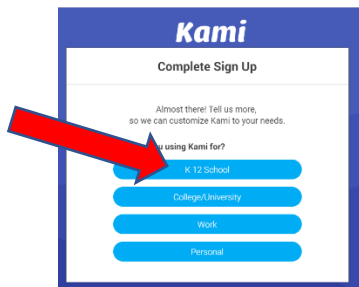

Choose an account
to continue to Kami

6. You will be asked if Kami can access your Google Account. Click Allow

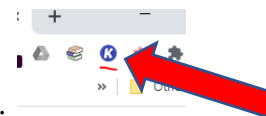

Kami wants to access your Google Account

7. Complete the Sign Up by choosing **K-12 School** and **Student**

8. You have now successfully installed the Kami Chrome Extension. You should see a small

“K” in your extensions that you can use to access Kami.

9. If you don't see the “K” in your Chrome bar, click the puzzle piece  and find Kami – click on the little pin.
