

ATTENTION 7th GRADE PARENTS/GUARDIANS

The Missouri Department of Health and Senior Services requires all **incoming 8th grade students to have a Tdap** (tetanus, diphtheria and pertussis) vaccine and a **meningococcal** (meningitis) vaccine.

If the meningitis vaccine was administered prior to 10 years of age, the student is required to receive another vaccine.

If your student has received a Tdap and meningitis vaccine, please provide documentation of the immunization to your school nurse or have the health care provider fax the immunization record to the school nurse at **214-3261**

If your child has not received these vaccines, the immunizations **must be completed before** they can attend 2017 summer school and /or receive schedules for the 2017-2018 school year next August.

Immunizations are available from:

- Local health care providers
- Columbia/Boone County Department of Public Health and Human Services, 1005 W. Worley, no appointment necessary; M-F 8-4:30.

For questions regarding your child's vaccination history, please call your school nurse at **214-3266**
