

# How to Be a Good Online Learner (Secondary students)

## HABIT 1: Have correct expectations

- Online learning is not “easy”
- Classes sometimes move faster than face-to-face learning.

## HABIT 2: Establish a good study space

- Set up a quiet place, free from distractions
- Establish internet access
- Have power source for your device
- Set up a work area with school supplies (paper, pencils, highlighters)

## HABIT 3: Stay organized

- Keep files and homework organized
- Keep a calendar and write down when assignments are due

## HABIT 4: Keep a schedule

- Set up blocks of time for getting school work done
- Let friends and family know you are *not available* during certain times
- Stick to a weekly school routine
- Hold yourself accountable for school time

## HABIT 6: Be an active participant

- Take notes on what you are learning
- Reach out to teachers and ask questions.
- Make friends with other students, exchange contact information, form online study groups

## HABIT 7: Figure out how you learn best

- Can you work with music on?
- Do you need to set a timer for breaks?
- What time of day do you get your best work done?
