From the Principal…

What an interesting winter we have had this year! It’s caused a lot of changes to occur to routines and broken up the weeks with many starts and stops. Hopefully spring is on the horizon!

Thanks to everyone who came to a parent/teacher conference last week so that our teachers could share information about your child’s progress.

We still have one trimester of school remaining and lots to do before the end of the year. We know students will become busier with after school activities, but please continue to help them focus on their school work.

Save the date for the MAP test for students in third-fifth grades. We have a very short time frame to give the state assessments and will need all students in attendance April 13–May 8. We appreciate your support and cooperation in this effort. Teachers will send more detailed information specific to each grade about testing days and times as the test window gets closer.

I hope everyone has a safe and enjoyable Spring Break!

Mrs. Diana DeMoss
Principal

Fancy Lunch
Wednesday, March 18, 2020

Fancy Lunch Make Up: Fairview will have its 1st annual Fancy Lunch event on Wednesday March 18th. On this day, students will come to school dressed in their fanciest attire—dresses, jackets, ties/bowties, collared shirts, etc. During lunch, the cafeteria will be transformed to provide an elegant dining experience for students. We are so excited about making this an annual tradition at Fairview!

A note from Columbia Public Schools Administration
In order to be considered for an elementary school transfer for the following fall, a student’s parent must file a written request by April 1 with the Office of Student Services. Student transfers from one elementary school to another are discouraged, but are granted under certain circumstances. Parents who think they have sufficient reasons for requesting a school transfer should contact their school office to obtain a transfer request form or visit the CPS district website at: https://www.cpsk12.org/Page/614

Attendance Reminders
Per state requirements, attendance is reported to the minute, students who are tardy (after 8:20 am), taken out for appointments or checked out before 3:20pm will be shown absent for the time not at school.
If your student will be late or absent, please notify the school by: sending a note the day before, if possible calling the office at 214-3590 before 9:00am or by e-mailing ihouston@cpsk12.org before 9:00am.

If the Fairview office does not receive notification of your child’s absence you will receive an automated message and/or a call from the office about the absence being unexcused.

Lost and Found

During the fall and winter months the lost and found seems to fill up quickly. Please stop by and claim any items that belong to your family. We go through the items on a regular basis looking for labeled clothing so that we can return it to students. Please help us by labeling jackets, coats, etc. so we can return them to the correct owner.
