Modified Supply List
for Miss Sherbo's room

This is a modified supply list that includes items we need most. Items from the original list will be used, but not all are necessary. As I have been in the same classroom for many years, I am fortunate to have some supplies leftover from previous years. If you have already purchased all the items, feel free to use them for other children (if needed), use them at home, or return them if you wish. Again, all supplies will be accepted and used, but please do not feel it is necessary.

Please do not label supplies with your child’s name

(Some supplies, like tissues are community supplies; others will belong to your child and will be stored in his/her cubby—I will label those)

8 large (.77 oz) glue sticks
1 box of facial tissues
1 pair of scissors
4 dry-erase markers (black, thin tip)
3 boxes 24 count crayons (boxes will be held back for replacement at each trimester)
1 pkg. of washable markers (thin or thick)
2 bottles washable white glue
2 plain plastic pocket folders with brads (1 yellow, 1 blue)
1 package 18-count twistable colored pencils
1 container of antibacterial wipes (BOYS)
1 box zip bags (snack, sandwich, quart or gallon size) (GIRLS)

It is recommended you label the following with your child’s name...
1 backpack that can easily hold an 8 ½ x 11 folder; NO WHEELS
Lunch box (if your child brings a lunch from home)

It is helpful to bring your child's school supplies in a grocery bag labeled with your child's name to his/her orientation time, or you may drop them off in the front office during school hours before the first day of school.

Thanks!
