• No School on Wednesday, March 11th.

• On Monday, March 9th, Dr. Khalid el-Hakim and Mr. Richard Griff will be visiting WMS to present the Black History Mobile Museum! This presentation focuses on the examination of artifacts related to African American life and their connection to the development of the Hip Hop music genre. Students will be visiting the museum (located in the media center) through their Social Studies classes that day.

• Movie Day will be Friday, March 20th. You must meet certain requirements to go to Movie Day, but we’ll need to know what movie you want to see! ON YOUR IPADS, there is now an icon that looks like the image below. It’s a link to the survey. Be sure to complete the survey ASAP to pick your movie. If you don’t have your iPad, ask a friend if they will sign out of their google account, allow you to sign-in, and then complete the survey. There are also posters around the building with a QR code that will take you to the survey. You will need to be logged-in to your student Google account, and you will only be able to submit your survey ONCE, so choose wisely!
