Unit B
Unit B is still in need of paper towel tubes for a project during our Australia unit. You can either send them to school with your child or put them in Unit B teachers’ mailboxes. Thank you!

Unit C
We have begun our famous Missourian biography projects. It may be helpful to visit the public library to check out some resources for your child’s famous Missourian. Your child will become an “expert” on his/her famous Missourian.

As we move forward, we will shift some of our writing time to our Pioneer Simulation. Therefore, doing some additional research at home to supplement the research done in class may be helpful for each student to be ready to create a published biography. Students have been instructed to use only approved online sources or published books for research. These resources include sources on the Ridgeway webpage and kiddle.com. The final project will be presented at IGE in Action Night on Thursday, May 9.

Reading Club students will travel to the Children’s Literature Festival in Warrensburg on Tuesday, March 19. We will leave at 7:45 AM and return around 4:45 PM. Please be at school at 4:45 to pick up your child.

Note to the Parents of Unit C Girls from Nurse Connie
Scoliosis Screening for girls in grades 4 and 5 will be Monday, March 18.
