Unit B

Unit B will be out of the building for our Band with Nature field trip on Thursday, October 10 from 11:30-2:30. Please make sure your child wears comfortable walking shoes and is dressed appropriately for the weather that day.

Fall and cooler temperatures are here!

As your child wears sweaters and jackets to school, please be sure they are labeled with your child’s name!

Ridgeway One Read

The Ridgeway One Read is just around the corner! For this special two-week event, each family will receive a copy of the same book to read at home together. At school, there will be daily trivia questions to go along with the story. The reading will require about 10-15 minutes each night, and I am personally asking you to open up your schedule to enjoy this special reading time with your children. With your help, we will continue to build a community of readers at Ridgeway. The book will be revealed at school Monday, October 14! Be checking the Ridgeway website and Twitter page next week to see clues of what the book is.

Hello my Ridgeway family. I hope the start of this school year has been great for your kids. It has been a fun start for me. One of the greatest parts of my job so far has been getting to read books to the students. Sometimes my job can look like a negative from a student’s point of view so I really enjoy having that time with them to show them that I enjoy being with them. I was able to go on a field trip with our Unit C students to a volleyball game and I really enjoyed that. Thank you all for your support for our students and I am looking forward to the rest of the school year.

Looking ahead to School Events ~ please mark your calendars!
