Picture Day is Tuesday morning, September 18! Be looking for the Picture Order Forms, they are going home with your child today!

Unit A Thank you for coming to Munch and Read on Friday. Our students love sharing great books with others. We look forward to seeing you for Unit A Curriculum Night on September 20 from 6:00-7:30. Remember this is an adult only event.

Unit B Thank you to all of our families who came to Back-to-School Night. There are several important notes in your child’s home-school folder to look for today. You will find a letter introducing Family Communication Journals or FCJs as we refer to them. You will also find sign-up forms for our Unit parties and classroom volunteers.

Unit C Thank you for coming to Back to School Night. We really enjoyed sharing our work and visiting with families. Also, we would like to remind families that the classroom and building temperatures can often be cold. It may be best to put a sweatshirt in your child’s backpack.

From PTSA
Kick off the school year by attending the PTSA Social and Meeting on Tuesday, September 11 in the Ridgeway media center. Learn what PTSA has in store for Ridgeway and find ways that you can help support our students and staff. Social to begin at 6pm with PTSA meeting to immediately follow at 6:30pm.
From Linda Bozoian Instructional Mentor/PDS Liaison

It promises to be an exciting new school year as we partner with Columbia College again! Two college classes are being taught here at Ridgeway this fall—Teaching of Reading taught by Dr. Sandy Hamar and Teaching of Math taught by Dr. Ann Schlemper. Columbia College students will soon be busy observing and practicing what they are learning with Ridgeway students as they complete their practicum hours. In addition, we have a new informational bulletin board near the front door devoted to our partnership with Columbia College so take a look next time you’re here!
