ITEM: 3.E.5.c. Introduction to Construction Trades Program Service Agreement

Summary
The administration requests approval of an agreement with Emery Sapp & Sons to provide an Introduction to Construction Trades Program for the District. The program will consist of a 6-week mini-course for students with the goal of preparing them for job readiness in the construction industry after graduation. The program will provide students with a hands-on and high-tech experience where they will learn the terms and techniques needed to prepare them for a career in construction. The term of the agreement is December 9, 2019 through June 30, 2020.

Financial Impact
The cost of the agreement is $9,000 and will be covered by the Columbia Area Career Center operating budget.
