Math Night

The 3rd Annual BEU Math Night will be held on Thursday, March 14th from 6:00 p.m. to 7:30 p.m. As many of you may know, March 14th (3/14) is Pi Day, and this is a perfect evening to join together as a school community and enjoy some fun math games. This event has been very popular the last two years, and we are looking forward to another fantastic evening having fun with math!

In honor of Pi Day, we will have pies from Peggy Jean’s Pies available for purchase. There will be Dutch Apple, Cherry, and Chocolate Chip Cookie pie. We will have a limited amount pie available for anyone who did not pre-order pie on a first come, first served basis. You can purchase these extra slices at the event for $4 each. Our supply of not pre-ordered pie sold out VERY quickly last year, so stop in the cafeteria early if you want to purchase pie that night!

New Principal Listening Session

As you know, Dr. Majerus recently announced his intention to retire at the end of summer school this year. Columbia Public Schools will now begin the process of finding his successor as principal of Beulah Ralph Elementary.

On Tuesday, March 12th, CPS will hold a listening session for any Beulah Ralph parents that would like to give feedback about what they are looking for in a new principal. The session will be held at 5:30 p.m. in the Media Center. Please plan to attend this event if you would like to share your thoughts about the search for a new principal at BEU!
Rise and Run Club Returns!

After a hiatus during the cold weather months, Rise and Run Club will be returning beginning Tuesday, March 12! The club will meet Tuesdays and Thursdays from 7:30 a.m. to 8:00 a.m. They will run on the track behind the school in the field behind the big playground. If there is inclement weather, the club will run in the gym.

If your child was a member of Rise and Run in the fall, they are already signed up for spring. For parents interested in signing their child up for the first time, please encourage your child to see Coach C for a running club waiver & signup sheet.

Coach C and Mr. Imler are looking forward to seeing everyone again this spring for some early morning running! If you have any questions, please contact Coach C at mconsiglio@cpsk12.org

2018-2019 Goal:
94% of BEU students will attend school at least 90% of the time

Current % of students attending school at least 90% of the time:

92.6%
Up 0.8% from last month. Let’s keep pushing for our goal!

MAP Testing Update

Every year the MAP test is administered in grades 3 through 5. The MAP (Missouri Assessment Program) test is used to evaluate student progress on the Missouri Learning Standards. Third and fourth grade are tested in Reading and Math. Fifth graders are tested in reading, math, and science. This year, the testing schedule will be as follows:

3rd graders: Week of April 22nd through April 26th
4th graders: Week of April 29th through May 3rd
5th graders: Both the week of April 22—-26 AND April 29—May 3

5th Grade testing has more sessions and more subject areas and will therefore require extra days to complete.

Please try to avoid scheduling any appointments or trips during scheduled testing times. While getting a good night’s rest and eating a good breakfast are important every day for school success, those things are especially important during testing! Testing is primarily done in the morning, so being well rested and fed will help students be at their best for the testing sessions. Thank you for your support with this important time of year!
Timberwolf Talent Show

The 2nd Annual Timberwolf Talent Show is just around the corner! This was a fantastic event last year at BEU and we are excited to bring it back. Talent Show audition forms were due today and tryouts will be held on March 18th and 19th after school. Interested students will either perform in the school-wide show or a classroom show. There will be 3 school-wide performances. All school-wide performances will be held on May 14th. At 9:15 a.m. the show will be performed for our grades 3-5 students and at 1:15 p.m. the show will be performed for our grades K-2 students. There will also be an evening performance for parents, families, and friends on May 14th. This show will begin at 6:30 p.m. The classroom shows will be organized by Ms. Martin and the students will perform for their peers during their Music class. Sign ups for this show will take place during the week of April 29th, with no audition required, and performances will take place the week of May 6th. Please look for more information to come regarding the details of these shows. Feel free to email Ms. Martin (jmartin@cpsk12.org), Ms. Brown (jebrown@cpsk12.org) or Mrs. Smith (esmith@cpsk12.org) if you have any questions!
