Field Day Next Friday

On Friday, May 17th, we will be holding our 3rd Annual Field Day! 2nd and 4th grades will participate from 8:30 to 10:10 a.m., 3rd and 5th grades will participate from 10:20 to 11:50 a.m., and grades K and 1 will participate from 12:50 to 2:50 p.m. In the event of rain, we will still have Field Day activities, but there will be fewer stations and all will be held indoors.

Students will rotate between 10 or 11 stations in 10 minute increments. Each station will have a fun game or activity for the students to participate in, and each station will be supervised by an adult. Andy's has generously donated to our snack station, as well. Thank you!

Please make sure your child wears old clothes and shoes (still school appropriate). The students may get wet and dirty at some of the stations as part of the fun. We also request that everyone wears tennis shoes (please no sandals/flip flops) and please no swimwear. We would also recommend sending a towel to school with your child that day.

We would like to thank our parents for the amazing response to our call for volunteers! Currently we have all the volunteers we need thanks to so many parents offering their time to help out. Of course, any parent is welcome to come visit during field day!

We would also like to thank Mr. Mark Consiglio and Mrs. Nancy Farrar for all the work and planning they have invested in making this Field Day a great experience for our students! We are lucky to have these two planning all this fun for BEU!
Last Day of School: May 28th

The last day of school for the 2018-2019 school year will be Tuesday, May 28th. That day will be an early dismissal day, with school dismissing at 12:50 p.m. All academic work will be completed the week prior to this day and absences will be marked as excused (although, as always, all absences count toward total days missed whether they are excused or unexcused).

Thank you to everyone for such a fantastic year at BEU! We have loved getting to spend this school year with you and your children!

2018-2019 Attendance Goal:
94% of BEU students will attend school at least 90% of the time

Current % of students attending school at least 90% of the time:
92.4%
No change from last month. Let’s keep pushing for our goal!

Service Learning Recap

As we wrap up the school year, we are also finishing another year of successful Service Learning projects! All of our grade levels engaged in meaningful service that tied back to our academic work at BEU. Here is a recap of each grade’s work:

Kindergarten: Our Kindergartners partnered with Columbia Manor to provide service and supplies for the residents there. They held a penny drive and raised over $630 to help purchase games and snacks for the residents. They also purchased and tie dyed t-shirts in BEU colors for the residents. Next week, Kindergarten will take a field trip to Columbia Manor to sing for them and play games with the residents.

1st Grade: Our first graders ran a pop tab collection drive to benefit Ronald McDonald House. They learned about what RMH does, collected and counted the tabs (over 40 gallons worth!), and connected their learning to science (recycling) and mathematics.

2nd Grade: Second grade partnered with Boone County Animal Care and held a pet show to raise funds for BCAC. The students wrote persuasive letters about why people should adopt a pet, designed the pet show, and they all had a job during the pet show to help the event run smoothly.

3rd Grade: Third grade service learning was tied to science and learning about keeping the environment healthy. Students learned about ecosystems and how to help keep them clean. In addition, the third graders helped to collect litter around the school and at Bethel Park as a part of their ecosystem learning.

4th Grade: Our fourth graders partnered with the Juvenile Arthritis Foundation in support of one of their classmates. They learned about juvenile arthritis through research and writing and also coordinated a Jingle Away JA fundraiser to support their classmate’s team in a 5K benefit. You may remember before Winter Break when our students sold jingle bells and then all students got to wear them to school.

5th Grade: Fifth grade partnered with City of Refuge. The students learned about what refugees are, how they come to be here in the US, and the struggles they often face. Students wrote informational pieces about refugees and designed an amazing escape room (Escape from Winchester Mansion) to help raise funds for City of Refuge. The escape room was completely student created and all students had a part in designing scripts, puzzles, or setting up the room!

Timberwolf Talent Show

The 2nd Annual Timberwolf Talent Show is next Tuesday! This was a fantastic event last year at BEU and we are excited to bring it back. There will be 3 school-wide performances. All school-wide performances will be held on Tuesday, May 14th. At 8:45 a.m. the show will be performed for our grades 3-5 students and at 1:15 p.m. the show will be performed for our grades K-2 students. There will also be an evening performance for parents, families, and friends that same evening. This show will begin at 6:30 p.m. Feel free to email Ms. Martin (jmartin@cpsk12.org), Ms. Brown (jebrown@cpsk12.org) or Mrs. Smith (esmith@cpsk12.org) if you have any questions!
