      i. Bookfair was a success! We have about $4200 in scholastic dollars to spend on a rug for the library and fun reading chairs (that can be easily wiped off). Mrs. Hansen is working on ordering these and more to continue working on library improvements.

      Every teacher used the voucher to provide a book for a student. That process was simple and discreet. PTA will do this again for the spring bookfair.

      ii. There is a committee to plan 5th grade party. They will meet on January 27th. Sarah Sadewhite and Melissa Selsor are the contact people.
